***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Erik Milch on January 6, 2005.

The application has been amended as follows:

1. Please cancel claim 184.
2. In claim 200, line 1, after the word "method" please insert "for providing a system".

***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest a mock anatomical site defined as an orifice to be pivotably coupled to a housing that is configured to receive a peripheral device in combination with the other limitations in the claims (as shown in claims 174-183,185,187-197 and 199),

Or an apparatus with a housing defining an orifice capable of receiving a plurality of nested instruments with a plurality of sensing assemblies capable of detecting rotational motion of a nested instrument from the plurality of nested instruments and a translational motion of a

nested instrument from the plurality of nested instruments in combination with the other limitations in the claims (as shown in claim 186),

Or detecting via a sensor the substantially simultaneous operation of a first and a second peripheral device in exchanges of the instruments simulating the exchange of medical instruments during a medical procedure in combination with the other limitations of the claim (as shown in claim 198),

Or, a system in which a resiliency-providing material is disposed between an orifice and a sensing assembly in combination with the other limitations in the claim (as shown in claim 200).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John L Sotomayor whose telephone number is 571-272-4456. The examiner can normally be reached on 6:30-4:00 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Derris Banks can be reached on 571-272-4419. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
